MORRIS CANAL

HAER
NJ.
21-PHIL,
1-E-

Date: 1825-31

Location: Stewartsville Vicinity, Warren County, New Jersey.

Built by: Morris Canal & Banking Company.

Significance: The Morris Canal was one of only a few amphibious canals built in the United States. Stewartsville was one of many rural areas that benefited from the canal's construction by providing a faster way for goods to reach Stewartsville.

Transmitted by: Dan Clement, 1983. For more information on the Morris Canal please see NJ-29.
